Our Service

We are an independent insurance broker, who acts on our customers' behalf in arranging insurance. Please Note: Your policy cover will cease if You fail to keep up payments on an instalment agreement or premium finance facility related to it and Your credit rating may be affected. In entering into a credit agreement to pay Your insurance premium, You give the finance provider the legal Right to cancel Your insurance policy on Your behalf in the event that You default on the loan, and offset any refunded premium against the outstanding amount owed to them. This means that if You default on Your payment terms and the finance provider requests that We cancel Your policy, We will do so as Your agent.

DECLARATIONS

Our Service and Obligations to You:

We will conduct a fact-find to evaluate Your insurance needs, however You are solely responsible for ensuring that Your disclosure obligations to insurers are met. For policies purchased solely via Our website We will obtain sufficient information from the questions in the quotation process to enable Us to offer a quotation, however We will not provide advice on the product and You will need to make Your own decision regarding its suitability. You should also refer to Your Responsibility to Provide Information below.

We will act as Your agent in sourcing a policy to meet Your demands and needs and presenting the information provided by Your nominated Insurance Contact in a manner which is clear and accessible to insurers. Where we operate under any delegated authority from insurers we will act as their agent when issuing cover and in handling any claim you may make, and We will always advise You where this is the case.

We will advise and make a recommendation for You after We have assessed Your demands and needs. Our advice will be confirmed in a demands & needs and suitability statement, giving the reasons for Our recommendation.

Where Your policy has been purchased via our website, We will not provide any advice and You will need to make Your own decision on the suitability of the cover to Your needs. The general risks that the policy is designed to cover will be confirmed in a demands & needs statement.

We source this cover from a single insurer and have not approached a range of insurers in providing this quotation.

We usually receive a commission from the insurer with whom We place Your business and, in addition, We will normally make the charges as shown in our Terms of Business Agreement to administer your policy. Prior to the conclusion of each insurance contract, or upon renewal, We will remind You of Your right to be advised of the level of commission which We receive from underwriters. You are entitled, at any time, to request information regarding any commission which We may have received as a result of placing your insurance business.

Your Responsibility to Provide Information:

You have a duty under the Insurance Act 2015 to make a fair presentation of the risk to insurers. This duty applies when You take out Your insurance cover, throughout the life of Your policy, and when You renew Your insurance.

This duty includes a need for **Your nominated Insurance contact** to undertake a reasonable search for *material information* which is known, or ought reasonably to be known, by Your company's principals, directors, senior management (ie. anyone playing a significant role in making business decisions in Your firm) and staff responsible for insurance.

You should advise Us of any particular concerns which led You to seek insurance cover and any special or unusual facts relating to the risk.

You must ensure that all *material statements* of fact are substantially correct and not misleading, and any *material information* which is a matter of expectation or belief (eg. an estimate or forecast) is provided in good faith.

Failure to disclose any material information or change in circumstances to Your insurers which could influence the cost, or their decision to accept Your insurance, could mean that Your policy could be invalidated or cancelled without refund, or that part or all of a claim may be not be paid.

'*Material statements*' and '*material information*' are information which could influence the judgement of a prudent insurer in determining whether to take on a risk and on what terms.
